WIMMA LAB

SOCIAL MEDIA TIPS

1. PRODUCE

Produce content that has a meaning and purpose. Think about what is interesting to your audience.

2. PARTICIPATE

Participate in discussions and share updates from others.

4. BEHAVE

Behave properly and use common sense before publishing.

3. POST

Post regularly and think about when your updates would get the most visibility.

5. FIND

Find people and topics that interest you.

6. HASHTAGS
